

About Your Proofs

All proofs are the property of Olympic Studio, and must be returned within 10 days. Proof discs can only be taken out of the studio with a \$30.00 non-refundable deposit. Any proof disc not returned will be charged at the proof set rate (\$2.00 per image).

The enclosed watermarked proof disc contains your senior portrait proofs. You must review your disc at home and select the photographs you like best.

If you require assistance selecting your photos, you may make an appointment to view your proofs on our computer to select your poses and package. The fee for a proof selection meeting is \$10.00 per hour.

If you require specialty retouching or custom composite design assistance, you may make an appointment to meet with our professional retoucher to point out and discuss your concerns. The fee for a retouching/composite design meeting is \$20.00 per hour.

A set of 4x5 printed proofs is only available after package purchase and at a cost of \$2.00 per image.
